GRAND RED ALE

Lone Pine is proud to announce the Grand Collaboration Series, a project that will encompass collaborations with foreign breweries around the world. We're thrilled to offer our first collaboration with Lough Gill out of Ireland, with Grand Red Ale!

ABOUT

Brewed to capture the Irish essence of the beers brewed at Lough Gill, we are changing up the base malt in Grand Red Ale to feature Loughran Family IPA malt from Ireland, and modifying our water chemistry to match the water at Lough Gill Brewery. Sláinte!
